

## **High & Mighty Volunteer COVID-19 Risk Assessment and Survey**

To Our Volunteers,

As you may be aware, High & Mighty is planning a multi-phase approach to resuming program activities. While we are taking this reopening very seriously and have everyone's safety at the forefront of our minds, we are also committed to maintaining the same sense of community, fellowship and enjoyment that High & Mighty has always offered to our volunteers, participants and their families. We are entering this new normal with all of the compassion, grace and love that we have always given. The staff and most of all the horses are dedicated to providing the same level of social, emotional and physical experiences that everyone has grown to love and enjoy. We know that our volunteers will do the same!

The staff at High & Mighty are well aware of the multitude of benefits that our volunteers receive by participating in program activities and we have endless gratitude for the dedication you have shown before and throughout the pandemic. It saddens us that we will be unable to invite everyone back at once without restrictions. However, in order to maintain safety guidelines throughout our reopening, High & Mighty will be required to make some difficult decisions regarding which of our volunteers will be cleared to return to program during Phase I of our Reopening Plan. The following questions will help us to make informed choices for the safety of all involved, Phase 2 may be more appropriate for some volunteers. Please know that we are doing everything we can to allow for you to return as soon as possible.

We are relying on the accuracy of your self-reporting with the understanding that it is utilizing the knowledge that you have at the time of completing this form. Please fill out the following Risk Assessment and Reopening Plan Survey to the best of your ability and return it to us by email at [info@high-n-mighty.org](mailto:info@high-n-mighty.org) or by mail at  
71 County Route 21C, Ghent NY, 12075.

The purpose of this form is to assess the risk that returning to program may have for some of our volunteers and their loved ones as well as to understand the impact that COVID-19 has had on our volunteers. Your feedback is required so that we can resume our programming as seamlessly and safely as possible. If you would like to discuss any of the following questions or your answers in more detail, please email us at [info@high-n-mighty.org](mailto:info@high-n-mighty.org).

Thank you for your support throughout this challenging time. The barn doors will soon be open and we look forward to seeing you then!

# High & Mighty Volunteer COVID-19 Risk Assessment and Survey

## Risk Assessment:

Volunteer Name and Age: \_\_\_\_\_

1. Are you at higher risk due to an underlying medical condition or any other reason?  
Yes \_\_\_\_\_ Comment(s): \_\_\_\_\_  
No \_\_\_\_\_
